

Degree Works at GCC: Essential User Guide

Part 3: Viewing a Degree Plan

Degree Plans at GCC

New students to GCC typically work with a Success Coach to develop a complete Degree Plan in Degree works. Degree plans are structured, semester-by-semester course sequences a student plans to follow. These plans can be updated, edited, or completely remodeled based around any changes to the students’ goals.

How to Access a Student’s Degree Plan

Step 1: To access a student’s Degree Plan, begin at their degree audit homepage. **Select “Plans” from the top menu.**
